RE: Scope determination on antidumping duty order on aluminum extrusions from the People's Republic of China (PRC) A-570-967.

1. On 07/22/2014, in response to a request by Dynasty Profiles, LLC ("Dynasty"), Commerce issued a final scope determination that Dynasty's aluminum fence systems (Pool Enclosure Fence System, Fence System for Single Family Home, Fence System for Perimeter Wall, Front Yard Fence System, Corner Fence System, and Entry Gate System) are within the scope of the antidumping duty order on aluminum extrusions from the PRC (A-570-967).

2. Because the information provided by Dynasty was not substantial enough to overcome the weight of the evidence regarding the clear business pattern of the fence industry that the Commerce has seen in prior scope rulings, Commerce found Dynasty's products (specifically, Dynasty's Pool Enclosure Fence System, Fence System for Single Family Home, Fence System for Perimeter Wall, Front Yard Fence System, Corner Fence System, and Entry Gate System) to be within the scope of the order. Commerce found that the logistical and economic considerations of shipping aluminum extrusion fence components to the United States causes similar parts to be combined in bulk, and then be reprocessed or repackaged the United States, and that Dynasty has not established that its aluminum fence systems differ from this industry pattern.

3. Continue to suspend liquidation of entries of aluminum extrusions from the PRC, including aluminum fence systems (Pool Enclosure Fence System, Fence System for Single Family Home, Fence System for Perimeter Wall, Front Yard Fence System, Corner Fence System, and Entry Gate System) imported by Dynasty described above, subject to the antidumping duty order on aluminum extrusions from the PRC.
